Opis produktu

D20 THREE DAYS TO KILL

Deeptown lies in the shadows of mountains, a town where anything is for sale if you can only meet the price. But in the wild surrounding valleys of the Deeps, it's the bandits who make the darkest deals--and their ambition comes at a cost far greater than the contents of any wayward caravan.

You and your team have just been handed a new job: disrupt a meeting between a bandit lord and his mysterious new allies. At a remote mountain villa, you will strike hard and fast and leave terror in your wake. They give you the tools. You provide the talent. Survive, and you'll be well rewarded. Fail, and you'll pay the price.

Three Days to Kill is the first in Atlas Games' **Penumbra** series of adventures for the D20 System. **Penumbra** adventures require the use of the *Dungeons & Dragons Player's Handbook, Third Edition*, published by Wizards of the Coast.
