Booster do gry karcianej Flesh & Blood TCG z dodatku Arcane Rising Unlimited

15 losowych kart w opakowaniu.

Opis gry:

The world was simple, man and woman measured against each other on their prowess of muscle and mind. But from the southern reaches of Rathe, dark arts and aether manipulation have again found practitioners of the forbidden warfare.

As the fight takes new shape, heroes must adapt or die. Sword and shield will not be enough to survive the Arcane Rising!

Arcane Rising is the second Flesh and Blood booster set, introducing the highly anticipated caster classes to the game, and with them, arcane damage! Featuring classic fantasy classes, Flesh and Blood puts you in the shoes of your hero, as you start the game by equipping your hero with weapons and armor to face the challenge at hand.

Flesh and Blood - 100% great games!
