Opis produktu

Sisters Novitiate are young recruits to the Adepta Sororitas. Trained by the Drill Abbots of the Schola Progenium, these impetuous warriors are assigned to an Order Militant to gain combat experience and prove their mettle in the crucible of war.

This box allows you to build a unit of 10 Sisters Novitiate, with lighter armour and weaponry than their senior sisters. The Sisters Novitiate kit is suitable for games of Kill Team, as well as Warhammer 40,000 as a Troops option for your Adepta Sororitas armies, using free rules available to download from the Warhammer Community website
