Opis produktu

STAR WARS LCG 2 The Search for Skywalker

“That is the system. And I’m sure Skywalker is with them. Set your course for the Hoth system. General Veers, prepare your men.”
–Darth Vader, *Star Wars: The Empire Strikes Back*

Light and dark side forces prepare for all-out war on the ice planet of Hoth. **The Search for Skywalker is the second Force Pack™** from The Hoth Cycle for Star Wars™: The Card Game. Rebels and their allies look to reinforce their position at Echo Base and get their shields online as the Imperial Navy deploys its fleet and sets course for Hoth.

Inspired by the early scenes of The Empire Strikes Back, the sixty cards of The Search for Skywalker introduce two copies each of five complete objective sets, adding new characters, vehicles, Star Destroyers, and Rebel defenses that permit greater deck customization and carry players deeper into the action of the Battle of Hoth!

CONTAINS OBJECTIVE SETS 43-47.
