Cena	30,00 zł.
Numer katalogowy	WDW040-60

Opis produktu

Planet Warhammer

Waaagh! Dakka, dakka, dakka! Da Orks take over Planet Warhammer this month.

Contact

Grombrindal out, Ghazghkull in! Wot's he got to say?

Temporal Distort

We stomp our way back to March 2009 for a look at the past, including an especially impressive game of Apocalypse

Getting started with... Necromunda

Are you ready for war in the underhive? Find out all you need to know about Necromunda right here.

Saga of a Slayer

For nearly 30 years, Gotrek Gurnisson has sought his doom. Will he find it in Realmslayer?

Cover Story

The need for speedin' - Boss Mek Matt Holland tells us all about the new Ork vehicles while members of the 'Eavy Metal team share their thoughts on painting the new kits.

Rev Yer Enginz!

Members of the White Dwarf team engage in a four-way game of Speed Freeks. Contains violence from the outset.

Golden Demon Classic 2018

Another stunning display of miniatures from this year's Warhammer Fest, plus interviews with the painters.

Battle Report: Dakkabad's Big Skrap

A mob of Bad Moons Orks prepares to join da great Speedwaaagh!, but a T'au Empire force stands in their way.

The Ultimate Guide to... Destruction

Not Orks this time, but orruks. We take a closer look at the forces of Destruction in the Mortal Realms.

Armies of Middle-earth

Wordsmith Jay Clare joins us once again to talk about army building in the Middle-earth Strategy Battle Game.

Blanchitsu

Dare ye enter the research facility of Lesotho 212?

Da Mek's Workshop

It's an Orky kitbash, featuring converted Trukks, Looted Wagons and a Deff Dread.
